(d) In order to prevent and control the spread of HIV/AIDS in India, Government of India has launched a comprehensive National AIDS Control Programme, currently under implementation throughout the country as a Centrally sponsored scheme under following components:—

- Preventive interventions for high-risk populations through targeted interventions adopting a multi-pronged strategy including peer counseling and behaviour change communication.
- Preventive interventions for the general population through programmes for blood safety, voluntary counseling and testing services, Prevention of Parent to Child Transmission (PPTCT), Information Education and Communication (IEC) and awareness building among adolescents and sensitization for the AIDS Vaccine Initiative.
- Provision of low cost care and support services by providing community care services, treatment of opportunistic infections and prevention of occupational exposure.
- Collaborative efforts to promote inter-sectoral programme activities including workplace interventions and public-private partnerships.
- Build technical and managerial capacities for programme implementation through Surveillance, Training, Monitoring and Evaluation, Technical resource groups, operational research and programme management.

Establishing multi-speciality hospitals

241. SHRI JANARDHANA POOJARY: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government propose to establish major national level multi-speciality hospitals of the type of AIIMS, New Delhi, in various parts of the country;

(b) if so, the details in this regard, with proposed location, financial allocation, present status of each of the project and the targeted date for their completion;

(c) the criteria adopted for deciding on the location of the project;

(d) whether it is a fact that aspects like need and regional balance have not been taken into account while deciding on the location; and

(e) if so, how this anomaly is proposed to be corrected?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) and (b) Yes, Sir. Under Pradhan Mantri Swasthya Suraksha Yojana (PMSSY), it is proposed to set up one AIIMS-type institution each in the States of Bihar (Patna), Chhattisgarh (Raipur), Madhya Pradesh (Bhopal), Orissa (Bhubaneshwar), Rajasthan (Jodhpur) and Uttaranchal (Rishikesh). The proposal has been considered by the Expenditure Finance Committee on 24-11-2004 and will now be placed before the competent authority for approval. Pending these clearances, start-up activities like construction of boundary wall, the process for selection of Project Consultant for providing comprehensive consultancy services and selection of
